

## LICENSED ELECTRICIAN

Frazier Signal Technologies is a full-service traffic signal maintenance and installation company in Veazie, ME, providing technical services to a wide variety of Cities and Towns, as well as the Maine DOT. Currently Frazier Signal Technologies is seeking qualified applicants for a Licensed Electrician. This is an opportunity for the right candidate to be a part of a dynamic, high performing team with a reputation for knowledgeable, quality service.

The successful candidate will have:

- A state of Maine Electrical license
- The ability to lead crews on the jobsite
- Knowledge installing and programming controls
- Experience in troubleshooting and testing electrical equipment
- Traffic signal experience and roadway traffic control experience preferred

You will work with our lead traffic signal technician to troubleshoot, repair and maintain traffic signals throughout the state. As well as building traffic signals from the ground up.

We offer a competitive salary and a comprehensive benefits package including:

- Company matched 401k
- Unlimited PTO
- Health and Dental insurance
- 4 day work week
- Flexible schedule
- Company provided training
- Life insurance
- Short and Long term disability

Interested candidates should submit a cover letter and a resume outlining experience and credentials to [Lynn@FrazierSignals.com](mailto:Lynn@FrazierSignals.com). If you need assistance or an accommodation during the application process because of a disability, please contact Lynn Frazier, at (207) 991-0543.

Frazier Signal Technologies is an Equal Employment/Affirmative Action Employer.
